“ David, you will be missed but never forgotten. The times that our families shared over the years are held close to my heart. You were not just our pastor, or friend, you were just like a Dad to myself and my sister. Your love, support, guidance and laughter helped us through so many hard times and I thank you for that. There are not enough words to express how much we all love you and how much you will be missed. Please give Mama a hug for me and take care of each other until we can all be together again. My thoughts and prayers are with you all. I love and miss you all.

“ David was like a father to me and my sister. We were with their family for many years. We met 35 years ago and the memories I have of that time will never leave me. He was the best friend you could ever have and he would do anything for anyone. I love him so much and will miss him. Debora “mama”, Andrew “brother” and Tara “my sister”, y’all are in my thoughts and prayers and I love you all so much. I hope that David and my mama are busting heaven wide open. Know that I love all of you. Rest In Peace David. I will never ever forget you. I love and miss you so much. You and mama take care of each other and please watch over all of us.
