“ Maxine was such a big part of my child hood memories at the church. She loved everyone as much as we loved her. I know she will continue to watch over all of us. I wish I could be at the funeral today, but will always carry her in my heart.

“ Maxine, Has been a part of my church family for so long, it it so hard going into the church and not seeing her smiling face. I shall greatly miss her smiling and handing out mints to the children. They loved her. She taught my children in Sunday school. She was an amazing in so many ways. My life was enriched by knowing her. Prayers for the family, Dominga Skolud

“ Mrs. Maxine was one of the sweetest people you could ever meet. She was a dedicated, faithful, and active member of our Church. In the last few years I would go to Church early to open up, and there would be Mrs. Maxine. We had many great talks during those early hours. She talked a lot about her family that she lived dearly, and she always asked about mine. We are going to truly miss her.
