“ I had a dream about my friend Phillip from the Navy. We were still kids when we met at NAS Memphis in Millington, TN.. I am so sorry to find this information. We hit it off pretty quickly as we were in the same barracks, he was on the 3rd floor and I was on the 5th. We were not drinkers much, but we did try every chance we could get at the enlisted club on base. I am grateful to have these memories.

Go with God my friend!

“ *Having lost touch with the Kitchens clan after my parents went to heaven, cousins Phillip and Diane found me and kept me apart of this family.
I literally was down to just a few living relatives.
Now there's so many!!! But one important one down...
His wit, his tenacious humor got to me like a little annoying brother would!
We texted a few days before this happened and he didn't see it coming in my opinion the way he poked fun...
Thank you Phillip for being my cousin and keeping me around and in the loop.
Loved the last reunion! We just had text about granny loving her grandkids almost excessively and I'm sure she was there first when you arrived ❤️
See ya soon cousin Say Hi to my parents and of course all the family ❤️
God bless you and your families 🙏👼🙏👼*
