“ To Bill's Family: You have my deepest sympathy and are in my prayers. I was his friend at Chaney High School. We were good friends at the time but I lost touch with him and wished we would have stayed in touch. He had the greatest personality and was so much fun and so very intelligent. God comfort and Bless you all at this difficult time. Bill Gresko from Youngstown, Ohio

“ As kids we were almost raised as siblings, spending every Sunday together at Grandpa and Grandma's house, as well as attending the same school that our Mother's attended. Billy was like another brother to me that I could always share things with, knowing that they were always held in the closest of confidence. When our family moved to Florida, we were surprised by Billy's visits with us.....like showing up for our Dad's funeral without notice, or when working here, would spend the weekend with us and our friends. Though time and distance certainly separate us, it was always a comfort to know he was a phone call away and one of my biggest cheerleaders when I needed it. I am sorry for your loss, but we all have our precious memories of times shared and plenty of stories to tell. May your special memories help heal the empty spot in your soul, because he is living on in you!! Love, Deni
