“ Autumn was the most beautiful woman I have ever had the honor of knowing. She was intelligent and graceful all at the same time. She loved her family and friends more than they would ever know. If there were a thousand people in the room she would be the one person you would always remember. She is the love of my life, my wife, and the mother of my son. She is my Angel and I will miss her every minute of every day until our souls meet in Heaven. I LOVE YOU AUTUMN NICOLE VICE RABON!!!!!!

“ I knew Autumn from high school, we were not close friends, but she was always nice. We had recently reconnected over Facebook and became decent chat buddies. She was always such a kind hearted person and I'm sure she will be missed.
