“ *All our prayers for healing and condolences in this time of loss and grief. Aunt Barbara, although we were separated over the years due to many miles between our families, you were never far from our thoughts. Some of my fondest childhood memories were spending summers with you, Uncle Linten, and Mark; playing with my Matchbox cars, with Danzy and Smokey in the basement den. You were loved, and will remain in our hearts, forever cherished and never forgotten. May you rest in peace, reunited with loved ones long passed, forever in paradise with our Lord. We will meet again.*

*Your Louisiana family,*

“ *Barbara has been apart of our family for several years. As for as we're concerned she was our sister in law. We have shared many memories with she and Tommy (our brother) and loved being around her. We all will miss her.*

*Love you,*
