“ Christmas night we had so much fun enjoying each other's company at your aunt Janet's house, we played cards, opened presents, took pictures, went and looked at the deer in the field, just hung out with you, Eric, and Gabriel and just genuinely enjoyed each other's company, your dad and I will be forever grateful for that wonderful time we had together and we will never forget it! If we would have known that would be our last time seeing you we would have hugged you a little tighter and a little longer! Bayli we love you to the heavens and back! Rih beautiful angel! It's not goodbye it's see you later!❤️ Until then fly high angel of ours! Love your dad and bonus mom!💕 Xoxoxo
