“ There is nothing I can tell you about how wonderful he was that you don't already know. But, one night when Jerry and I were dating, we got in a flash flood on the road where Tucker's was. We were walking through knee deep water in the pitch black dark. Who saved us? Your daddy. He let us get in his car soaking wet and took us home. He actually kind of enjoyed driving in that mess. He was a treasure. ❤️

“ To all of Bennie's family, I've just received word of his passing. I am sincerely sorry for all of you during this time, again fond memories in Rose Hill, and Bluff Ridge, the family reunions. Grandma & Grandpa as well as myself and a very large extended family, always looked forward to visits from the Bluff Ridge Bunch. I knew Bennie to be kind, loving, friendly, and a big smile that was memorable,

“ It is with sincere sadness and sympathy I send this note to the family of Bennie. My fondest memory of Bennie is when I was a senior and he was a sophomore on our respective wrestling teams. We wrestled three times and he won each match. Bennie was a winner and always a gentleman. May the Holy Spirit comfort and strengthen you especially at this time.

*Grace and peace,
