“ I will always remember the days we spent together as family. Holidays with Mike and family, Alabama football games at Tannehill with friends, days at the lake, birthday lunches and monthly lunches with Janet. We will always remember those special times with you, and we will miss them! We love you! Jim, Joan, Mike and Misty

“ *Memories of a Dear Friend*

I thought of you today , all I have are memories and your picture in a frame. I thank the Lord for giving me such a true friend. A friend who was always there with a willing helping hand. So all the years we had as friends it was more like family. As we learn to live without you, we will live with the love you left us. Simply because you are gone doesn't end remembering the Big Heart and Soul you had . So as each day openes please say a special prayer for all of us . As the family and friends gather and you're not there, each of us will have a special memory of you , like every time Alabama Rolls we will think of you and smile . Thank you Billy for the memories of a Dear Friend.

*Love you Cindy
