“ Bobby you were a great brother in-law I loved you so much. We had the best times cutting up about me going to marry you when Geneva left but that's ok we still can cut up again when we meet in heaven. Take care of your mom and dad and momma and billy and my dad and everyone else. I know you are dancing in the sky right now. You are going to be missed by everyone because you were such a likeable person. You were so good to Geneva and both kids and grandkids. They love and miss you so much. I wish you were here just to say what you doing. RIP until we meet again. Gone but never forgotten. I love you

“ Bobby was so proud of his recipe for "Drunk Chicken" , and he should have been ! It was great! If James ever had a problem with one of our cars or trucks, he would always call Bobby!! The two of them could lean on a pick-up and talk for hours of the injustices that went on at "You Know Where" after they sold out to the "other" people!! You Know!!
