“ *Bonnie was a very fun and good-hearted lady! She and Alan hired me to work at their "Mystery Box" game at a carnival in Memphis back in 1980. I also helped sell at their Jewelry Booth. Afterward, they were kind enough to take my husband and I into their townhouse in Huntsville afterward, until we could obtain jobs and move out on our own. I always marveled at their generosity toward us when we had nothing but a backback....it strengthened our faith...they gave us hope when we were desperate. The world needs more people like Bonnie and Alan! RIP.*
