“ My mom was a truly wonderful person. So much in that there wasn't a person on this earth that had a single negative thing to say about her. Think about that for a minute? Know anyone like that? If you knew her, you liked her. It was that simple. Wonderful, caring and protective like a bear! I will miss her, but I am so glad her struggles are over now. She fought long and hard. That's another thing about my mom. Her toughness. Her mother was also a tough one. Up until just a few years ago, I thought she was the toughest woman on earth. Turns out I was wrong. It was my momma. Say hi to dad for me. I love you.
