“ I went never forget the memories i have with brett. His goofy smile and laugh lit the room up. I told lisa when we was kids, i had never heard of Puddle of Mudd untill Brett introduce me to it when i was 13. Greg put a CD in and i seriously thought they was going to kick me out of the car when i told them i had never heard of them. They stared at me like i was disturbed or something! Anyways, i was a huge fan since then and i swear every single time i hear it on the radio, i automatically think of that time when i was in the back seat and his parents were driving us to a movie that night. That was a kickass night! Pop those wheelies in heaven bro! Ill be there one day!
