“ *Brigette was my little shadow when we were younger. I have always hated that we lost touch when I moved away. However I have often thought about her and will always love her.* ”

“ *lol I remember onetime when Brigette was still a baby in the crib and she had, lmao thru the tears,taken her diaper off and sqished and smeared every piece of potty all over the crib,the wall, the mattress, all in her hair,all on her body and that precious look of complete innocence on her face. Oh what a doll she is.. Brigette, please have a morning dove poop on me if your getting this. Much love for you and your family...* ”
