“ I know one thing for sure-Sandy, Carla, Clay, Joseph, and Carly, y'all are Carl's world & he loves you all so very much!!! I send my condolences and my heart & prayers go out for you all!! (And family & friends). One of the greatest blessings I've ever received was meeting Carl 34 yrs ago!! He never hesitated to be there for me or mine. That's just the way Carl was. Always helping others!! He's the most generous, kind, thoughtful, and funniest man I know!! And I will miss him so much!! I was the talker, he was my listener!! We shared memories, sweat, tears, and laughter. He was my co-worker (the shop), my big brother, and most of all the very best friend I've ever had!!!! There will never be another one like him!!! Until we meet again my friend, I love and will miss you so!!!!

“ To me when a person asks about the type of man and dad he was I will say my dad was a teacher. Every person he met he has touched them by teaching them something. He was a man who would give his last dollar to a person if they had five dollars. My dad wasn't one to ask for help, but always the one to help. He never claimed to be perfect, but in my eyes he was just that a perfect dad and teacher.

“ Carl was the greatest. He always help others. He didn't care if you were rich or poor, race , religion , or political belief. If you needed help he was there. He work hard for his family sometimes working day and night. If we could be half the person Carl was this would be a great world.

“ I have some many great memories of my brother. He had the best sense of humor even when he was so sick. We had the best of times growing up. His girls and grandkids were his life and I know he was so proud of them. He loved working on cars. He had a rough last couple of years but never lost his humor. I am going to miss him so much. Love you brother and you lit up my life
