“ Bobby and I worked together at US Pipe. He was a great man and I truly thought a lot of him. I inquired recently about Bobby on USPipe page and no one knew for sure, then I stumble across his Obituary....what a great man I was proud to know and call him a friend.

“ Bobby and I became very good friends when we moved to Woodstock. Bobby would take me for our CE(Christian Endeavor) meetings that were held at the Greenpond Presbyterian Church. When Truman and I started dating, Truman became good friends with Bobby and Dianne, too. When I was old enough to drive, Bobby even helped with teaching me to drive and building my confidence. My older sister had married and moved away. Bobby was there like an older brother to help me. We had lots of good times together with our other friends, and I will always be thankful for him and his kind heart. Love to Dianne and all the family. Naomi and Truman Ferguson

“ I have known Bro Bobby for close to 55 years or more. He was a quiet man, never heard a word spoke negative about him. He served as deacon at Woodstock Baptist Church when I attended. He was a Man that acted as the Spirit prompted him. He will be missed by his Family and Friends. I know I have not been able to see him and Dianne partly because I didn't try plus the pandemic and not knowing if it was OK or not plus my own health problems, but our prayers were sent out on his and Dianne's behalf through out the years. Prayers for Dianne and the family.
