“ I was blessed to be Ms. Charlotte 's caregiver. She was so much more than a patient or someone needing a helping hand, she was my friend.

We had many conversations about her love for clothing, my poor cooking skills, the proper way to style her hair, life, family and faith. I will always remember your kindness and sweet spirit. I will miss you dearly.

To Charlotte's family, my deepest condolences and prayers for peace and comfort. I love you all!
