“ Mother, you mean so very much to me. I have been honored to be your daughter. I am blessed to have had all the years we had together. So many happy times. God has been good to us and allowed us so many wonderful memories and good times. I was so blessed to have been at your bedside when you entered into the gates of Heaven. Thank you for being my mother. I love you with all my heart. I will miss you dearly, but will see you in Heaven some day.

“ *Mother, I wanted to let you know how very much I will miss you. I have been blessed for so many years to call to call you mother and have such wonderful memories. I have been honored to be able to be your care giver and I will miss you very much, but I have all these memories. God received and angel on Thanksgiving day. I was allowed to be at your side when you entered into Heaven's gates. Thank you for being my mother. I love you more than words can say. I won't say goodbye, just see you soon. I will see you in Heaven. I know you will be watching over us all. You have so many people who loved you, I don't know if you ever realized how many. I love you Mother.*

“ *I have so many wonderful memories with you grandmother. It's hard to share just one. But one of the ones that sticks out. Is the day, you had picked me up from grannie Curren's. We were headed to your house. I was playing with my hot wheels on the dash of your gray thunderbird. The car in front of us swerved to miss a turtle in the road, as we did. Then they came to an ubrugged stop. And we tapped their bumper. I remember after everything was said and done we got back in the car and you said, " this will be our little secret ". Grandmother, I know you're not here in the flesh but you're here in our hearts. I love you, and will miss you more than you know. Rest In Peace, and give my love to Paw paw, along with Dad, grannie and paw paw Curren.....I love you!!! Chris*
