“ Lisa, I never met your parents but that is such a great picture and I can see you in both of them, especially your mom. I know there had to be such laughter and joy in your house growing up because that is who you are. Warmth just flows out of you and that must have been modeled by them. I hope you can hold on to those memories while you are in the midst of this difficult part. That is my wish for you, Earl & Elizabeth. Warmly, Rhett
