“ I will always remember Mama Waldrop going to Fran's every Wednesday eating Dumplings. She was a very sweet lady, and I loved her so much. I will miss seeing her every other Wednesday eating lunch with the Ladies. She will be dearly missed. She is the oldest person I have ever known. Prayers for the family.

“ I remember from a very early age going to Mama and Papas to visit and picking plums,fig, muscadines and Mama propped up next to the stove and giggling at us. Swinging on her weeping willows and the bbqs. I will miss her very much.

“ I remember going to Mama and Papas from the time I was very little picking plums and figs, swinging on the weeping willows. Seeing Mama propped up next to the stove giggling at all of us. I will miss you so very much
