“ Kitti was a receptionist in our property management company mail office in Longview. She always had this wonderful smile and could make a bad day better just with her smile and her humor. It was a sad day for us when she left. I know her family is grieving but I know that God will allow you to remember her smile and her laughter.

“ Kitti and I attended business school together and then worked for Reliable Management. We spent a lot of time laughing. I grew to know her girls and Jim through her love for them. I am so sorry to hear of this. Michelle and Jennifer, you were absolutely the stars in her heaven. Comfort and prayers to you all.

“ It has been almost 30 years ago that she and I went to business school together. We reconnected on Facebook a year or so ago. I was saddened to learn of her passing. May peace be with her life velty daughters.
