“ Betty, Kenneth and family,

*I am so sorry to hear of Cindy's death. So sudden and so tragic. Some of my fondest childhood memories are those of spending time with your lovely family--changing Cindy's diapers:) It was so much fun taking care of both Jeff and Cindy. I always looked forward to going to your house when we would visit mema. May your wonderful memories with Cindy give you peace and comfort.*

*With caring thoughts,

“ *Michael and Haley: please know my heart hurts for you. I remember Cindy and how proud she was at your wedding. One proud mama! I remember how beautiful she looked and how happy she was. I also feel some of your pain Michael, as I lost my mother this year also. It doesn't matter how long you get to have them it still hurts unmeasurable when you loose them. You and Haley and your family are in my prayers. I love you both Mawmaw and Pawpaw.*
