“ My brother will always be my best friend, we had a bond like no other..of course he was my brother and we did fight but those are memories that I have to hold on to. Dalton was such a cutt up, he made EVERYONE laugh, there was never a dull moment around him. I miss you so much Dalton, I miss hearing you call me lil sis, but I'm glad that you were there for one of the most amazing moments of my life, the birth of my son, you were an amazing uncle. I will never let your memories die, you will live on through the stories I tell Brodie. I love you so much Dalton, fly high until we meet again
