“ Please accept my condolences. Danny will be missed. I still miss him sitting across the office from me at A&H for so many years and sharing "Navy" tales. He was a blessing to me and my entire family. He helped my Father when he was at a lost and I will never be able to repay Danny's kindness. Bless your hearts!

“ I grew up with Danny all my life. My heart hurts so bad for his loss, but he is now healed! We lived across the street from each other in Pleasant Grove. I always looked at him as a big brother figure! My love, thoughts and prayers are with Debra, his children, grandchildren and older brother Duke. The whole Graham family has always been special to my family! Danny was always full of laughs and always fun! May God give all of you the much needed strength now and in the days ahead! 🙏🙏🙏❤️ Nell Woods

“ I treasure so many wonderful childhood memories of Danny, his brother, Duke, and their parents, while growing up in Pleasant Grove. Deborah and her family, were our neighbors. We all attended grade school together and I attended their wedding. Danny had a great sense of humor and was so much fun to be around. I can't imagine the loss you are experiencing. I wish you the peace of God, to stay strong and endure. Sincere sympathies.

“ I worked with Danny in the A&H Engineering / AHE days. It took him a while to warm up to this "Yankee" but in the end he became a wonderful friend and mentor. I will miss his wit and life stories - we had some pretty good laughs. Rest well my friend!!!
