“ You came into my life very unexpectedly and
left the same way, but the time we had in
between made an impression on my life that
forever changed me. I will always love you
baby. You will forever be in my heart.

“ If David was your friend, he was your friend for life! He loved life and
lived it to the fullest....no exaggeration. He was a big kid at heart as
we all should be. Did he ever tell you about how he could bend his
pinky backwards...lol. I never told him but he was my hero. How he
managed to pull himself out of situations in life and still make the
best of it! My brother will truly be so missed. I'm heartbroken that I
won't be able to call him on his birthday and tease him about being
the "older" sibling. I'll just have to send that message upstairs now. I
Love you David!!
