“ *To Theresa, Debra, Herb and all the family. I am so sorry for your loss. I thought a lot of Mrs. Humphries. We have known Herb for years and years. He was the best front-end alignment man in town, and has always been so kind to my family. I also know Theresa. She is a special friend. And also Debra. We've shared a lot of laughs at the restaurant in Hueytown. My heart and prayers are with you all today, and through out this difficult sad time. I pray that God will put his arms around this family and friends and help them to find peace! Love to all*
