ME

“ Words cannot express what Ninny meant to me. She loved us with all of her heart and would do anything for us. She was my rock and encouraged me and believed in me when life would get tough. I have precious memories of her sharing wonderful stories with me, teaching me to cook, discussing books we both read, shopping, going to movies, visiting family, and just laughing. We will have to lean heavily on Jesus to make it without her. She was cherished and will be missed. Living without her will be one of the hardest things I will ever do. I am so thankful that we had her as long as we did. It gives me comfort to know she is in heaven with God, her siblings, her parents, and my Papa.

“ She had so much love to give and she gave it freely. What a wonderful treasure she was and still is to everyone who knows her.

“ Her prayer was to die in her sleep at home. God answered her prayer. She died peacefully and comfortably. She leaves a great legacy of love that not only lives on, but also continues to grow.
