“ *Dorian was my older cousin. We grew up in the Bronx we use to spend most of our weekends at my Grandma or Aunt Denise house. Dorian was always the coolest chilled layback cousin I ever had. He was the quiet Storm who always had his family back. Him and his brother Damien was inseparable. You didn't see one without the other. He was the protector of the family. I will cherish our childhood memories forever. My heart goes out to his wife, children and his brother. You all have my deepest condolences.* ”
