“ *I am adding one more picture to my previous post. This is the only studio picture made when Eddy was a baby. I do vaguely remember this day. It was made February 23, 1952. A precious memory!*

“ It is as yesterday I remember Eddy’s birth announced by my Uncle Bob, Science Hill, KY. Paul and I were at the neighbors’ home playing outside. Yes, it was warm enough for us to be out in the yard. Good Kentucky memories! Then we added two more siblings and returned to Alabama to be near Grandma Chapin. Time has flown but the memories of good times are there. Thank the Lord Eddy is Home with Dad.
