“ *Elizabeth has always had a special place in my heart, from the time she was a flower girl at my wedding to her big brother John, later a mother's helper after the birth of my daughter Lynn, through many years of family gatherings, including a very special one she arranged and hosted several years ago when my sister Ann and I toured familiar old home places in the south. She had the most beautiful smile and always shone with an inner grace. She and her wonderful husband Charles created a loving home for their family. She will always live in my memory. “ *My heart hurts from the loss of one of my best friends since second grade. My confidant, consoler, speaker of truth, and a friend I will miss forever. From our young days in school, as young poor married couples, parents, co-workers, and neighbors, our friendship endured and stood the test of time. I will miss and remember you always. Rest in the arms of your loving God. Sweet dreams my dear friend. Jan*
