

Elizabeth S. "Beth" George

May 4, 1968 - January 23, 2025

Elizabeth 'Beth' Susan George was called home on January 23, 2025 at age 56.

Beth is survived by her husband, William George, their children Jessica (William), Jeremy (Sabastian), Jacob (Madison) and Izzy, their grandchildren Cody, Skylar and Everleigh, her sister Emily Norwood, her parents Carolyn & Aubrey Teele & Billy Bond as well as her bonus mom, Liz George and a host of cousins, friends and extended family.

She is preceded in death by her brother Chance, her fur daughter Dandy, and her grandparents, Louise & Raymond Holloway, Julia & Robert Hicks and Alice & Joe Bond.

Beth was a beloved wife, devoted mother, doting grandmother, loyal sister, loving daughter and a one of a kind friend. She and William spent 35 glorious years married, and to him, she hung his moon, stars and sun. They were blessed with three children, and years later with three grandchildren she adored. Beth always said that her children were her reason for living, and that they'd changed her life for the better. She was known to be generous, caring, and kind to everyone she met, and no one will forget the love and light she brought to their lives.

She attended Jess Lanier High School and Bessemer Academy in her teen years, then Bessemer Tech, Shelton State and UAB to achieve first her LPN, then her RN, then her bachelors, respectively. She spent 32 years of her life selflessly working as a nurse at hospitals such as Shelby, Brookwood and UAB. She loved her family most of all, but she also loved the color purple, hummingbirds, yard sales, antique shopping and weekend trips away with her family and her girlfriends.

Beth's Celebration of Life will begin at McCalla Memorial Funeral home on Tuesday, January 28th 2025, visitation at 12pm and a service at 1pm, followed immediately by her interment at Pleasant Grove Missionary Baptist Church Cemetery. Her family will all be choosing to wear purple in honor of her, and they invite all guests to do the same.

“ Beth you were a co-worker that became a close friend. We shared so many laughs, so many long talks sharing our most intimate life stories. I loved you and I feel very blessed to have had you in my life. I know how much you loved your family and how long you cared for your MIL, Nanny. I know you had so many hard times to overcome and yet you knew you had so many blessings to count. I will pray for your family and try to be there any way I can for them. I thank God that we know we have the hope of seeing you again. Stay a little bit rock and roll and I'll stay a little bit country and I will keep you in my heart till we can Karaoke again! Love you forever!
