

Emery Ray Rosser

August 14, 1945 - March 28, 2025

Emery was born in Birmingham, Alabama where he lived out his life. He graduated from Jones Valley High School and graduated from the University of Alabama with a degree in Industrial Management. He was a walk-on football player in the mid 1960's during Coach Paul Bryant's tenure. He traveled to Hawaii where he earned a black belt in Karate. He went on to work for Ryder Truck lines, other trucking companies and the railroad. Emery was an avid animal lover and was dedicated to preventing hunger and neglect of all animal species. He was devoted to his companion cat, Dodger, until she passed away.

Emery was predeceased by his father, Early Emery Rosser; his mother, Aileen Ray Rosser; and brother, Johnny Lee Rosser. He is survived by his sister, Mary Rosser Shepherd (Glenn); brother Jimmy Lynn Rosser (Lyn); 2 Nieces, Kristen Deese; and Angela Balentine; along with great nephews and niece.

Emery was an independent thinker in both his personal and professional life. He believed in the Lord Jesus Christ.

He passed away at St. Martin's in the Pines and was under the care of Compassus Hospice. We acknowledge great appreciation for their care, compassion and comfort for him during his last days. He passed away at peace and has gone to spend eternity with the Lord.
