“ *Saw this in the news yesterday and was so saddened I couldn't say my final respects in person to Dennis, Janet, and David. However their Father is no longer suffering and is looking after them in a different way now. Godspeed, Eris.*

“ Eris was always by Carolyn's side, even as her health started to decline. He always stayed connected to his three children as his own health started to decline. He cared about his family so much. He will be missed, but he is now at rest and enteral peace.

Eris was such a sweet person. He loved Carolyn and his children very much. His grandchildren was the twinkle in his eyes. Always kind to whom ever he met. Now he is with the love of his life. Both are watching over their children here on earth.
