“ I remember the day Barry and Lynne, Phillip and I were married. Lynne and I wanted to surprise them so we went to her Moms and got ready had our hair and makeup fixed. all dressed up in pretty cream colored dresses. So here we go headed to meet them at Barry's we were in her Datsun truck, she flew everywhere, we go through this dip in the road it was filled with muddy water from the lake over filling, we hit that water wide open, little did I know she had a hole in the floor board covered by a matt needless to say we were soaking wet from head to toe with muddy water, we were crying when we got out and all Barry and Phillip could do was laugh. Its funny now and a wonderful memory of many we had... I love you Lynne and I fill like a piece of me has gone. But its no the end I WILL see you again...Best Friends Forever
