“ I haven' t seen Felicia in a long time. I knew Felicia through my sister Peggy and her husband Mike Edmonds, as kids growing up. Time seems to get away from us as we grow and have families on our on. I know that words will not ease the pain you are going through, but in time the pain will get a little easier. My heart and prayers go out to you all.

Sincerely,

Penny Banks##imported-begin##Penny Banks##imported-end##

“ *The mention of Felicia's name bring back wonderful memories in people that knew her, and that is a really good thing according to what is recorded in the Bible at Ecclesiates 7:1. DeWayne and family, I know you miss her terribly and long to see her again. Our loving God has made such a hope possible. These scriptures give me hope and comfort: Acts 9:36-41; 24:15 see also Romans 15:4, I hope they will do the same for you.##imported-begin##CP##imported-end##*

“ I saw Felicia a few times while attending church at Grant Street but I remember so vividly the day when walking across the parking lot at the old location of Woodstock Baptist Church and hearing somebody call, " Hey, Mrs. Lacey, Mrs Lacey". I turned to see a young blonde coming toward me and thought "who in the world is that" and as she neared she said, "You probably don't remember me but I'm Felicia Watson, I graduated with Steve". We shared a great big hug. I don't think we ever saw each other again that there wasn't that 'great big hug' as I learned to love her dearly. Her smile was captivating and her love for God and family shone all around her. I will not say goodbye, Angel but 'til we meet again'. I love and miss you, Flea.##imported-begin##Martha Matthews##imported-end##

“ We have known Felecia all of her life. When we married, Felecia was a teenager...average teen girl with all trimmings . :) She was a bright beautiful young lady who loved her Lord. She was "all about" her big extended family and enjoyed being with them. When she met Dewayne, her life changed forever. She had found the man she would love for always. He felt the same way about her. Wasn't long before this sweet couple became parents to a beautiful little girl who looked just like her mother (and still does). I love the fact that we all can have these wonderful memories of Felecia. They will get us through the hard times ahead and be there to comfort and encourage for months and years to come. We love you Felecia and miss you terribly.##imported-begin##Gene and Susan Warren##imported-end##
