“ I had no idea Frank had passed. I sent him a text message about Jimmy Buffett and he didn't respond. I got a sick feeling and just decided to google his name. I'm so sorry, my buddy. I will always cherish riding our ST's to the mountains of North Georgia. I know where you are now and that makes me smile. We will meet again, my friend. And I can't imagine the fun we will have!

“ I'm saddened to hear of the Frank's passing. I served with him in the 908th Airlift Wing, Maxwell Air Force Base. When he was in Montgomery for drill weekends, he would often spend time with my wife and I in Millbrook. He was a kind, gentle, and funny guy. My prayers and condolences to his family.

“ *My condolences Franks friends and family, he is missed at the data center. Frank and I often had handoffs to each other in the data center, and more times than I can count Frank would have the answer to any trouble that popped up and help me get it resolved. “ Frank and I lived close to each other in Greenwood. We graduated together from Bessemer Academy in 1980. He was the Drum Major our senior year. Always funny and treated everyone the same, with love and respect. I remember when his Camaro got stolen from JC Penny’s in Fairfield. And who can forget the light blue Pinto. He even painted my car for me. We were going to join the Air Force together but my father fell ill and I chose to stay home to watch after him.

My prayers are with your family because I know you’re in a better place.

Rest In Peace Frank.

Thinking of the Sutley Family today. I haven't seen Frank since we ruled the school (Greenwood) in the 7th and 8th grade. We had a great group of friends and those memories last. So sad to lose our friends and family so young. God speed, Frank!

“ I grew up next door to Frank until we moved away in 1977. My fondest memories were a brown Honda trail 70 that he and Hugh rode around and would occasionally they gave me a ride. Figure 8 bicycle rides at the end of the road. Trying our best not to run into each other. Dirt clod battles In the garden and spending the night in our tree house. Just to name a few.
Because of Frank, Hugh and Mr. Sutley, my passion for motorcycling and cars have always been strong. Many occasions I would spend time at their house watching and learning about cars and my favorite passion Motorcycles.
You will be missed, but your influence on a young boy who lived next door will never be forgotten.
