MR

“ Dear Frankie, I know you had many struggles like everyone does in life, but through it all you have been strong to the end. I remember how you wanted to be sure that my boyfriend (Gerald) treated your little sister right! When you, Norma, Gerald and I sneaked off to PCB with rolled coins in your little Fiat! You always helped me when I needed a strong hand. You left a lot of memories and a slu of great kids and grandkids! I love you and will miss you very much! Martha (sis)
