“ I am truly sorry I had not left a message of condolences the the Garner family. I worked with Gary at Norfolk Southern. I first knew him when he worked at the 14th St. Tower as I was first on the AGS District, when he would give our "orders" as we embarked on our journey to Meridian. We again me up when he went to AL Division HQ at Irondale. What a great guy. Everyone thought so much of him. He is missed.

“ There are so many but most are of fun and life changing times with Muley on Chi Alpha choir tours. He was always willing to do what ever he needed to, and always made sure Nurse Teri got fed no matter what site she had been at! A wonderful caring Christian man!
