“ *I went to Gary's when we were kids, he would take it by the horns and try to push it backwards. When Gary would walk off the goat would lower its head and well, you guessed it, the goat left his impression on Gary's backside LOL !!!*

“ You may not be here physically but you will always be in our hearts. You left us too soon but I'm guessing the Lord needed you more. You will always be loved and never forgotten. Love you Gary!

“ Many years ago in Virginia Beach, Gary's daughter Candi was in my Girl Scout Troup. He was an awesome "Girl Scout Dad". If I needed anything all I had to do was ask and he would show up with it at the next meeting. Sending love and hugs to Candi and all the family.
