“ *I have lost a very dear friend! As Principal of Bluff Park Elementary, she was my "right hand" lady. So sweet, so compassionate, so hard-working, always ready for any task thrown at her; like the time we received tornado warnings, the kids were being sent home, and Gerrie fed every child in that school in an hour! I also remember the time I was concerned about something being implemented in the lunchroom, some mandate, and I went to discuss it with Gerrie. We talked, we discussed the issue, and then Gerrie put me in my place! She was very good at doing this. She very politely looked me in the face and said, "David, you are the Principal of this school. I will never tell you how to run this school. I am this school's lunchroom manager. Don't tell me how to run this lunchroom." Bang! Lesson learned! Gerrie and I had many, many conversations concerning life, liberty and the pursuit of happiness. We talked about our families, our school family, and her love for our Lord, Jesus Christ! She was more than a co-worker. She was my confidant! To hear her and Robyn harmonize their love of music, bouncing off those walls in the lunchroom, always blessed my soul, and always brought a beautiful PEACE to my soul. Sing loud my dear friend. You've earned those wings!*

“ I remember James and Gerrie’s wedding, especially “You May kiss your bride” ! I also remember how thrilled they were getting their 3 gifts from God: Kara, Greg, and Dawn! Grandchildren are icing on the cake and a great grandson is beyond expectations!
Love you all,
Kathy

“ *We went camping with Aunt Gerrie and Uncle James many years ago. You knew if you were with them it was gonna be a good time and we would have lots of good food. My husband and James went fishing and Jerry caught a couple. He turned around and there was James right behind him fixing to cast!! Gerrie had the sweetest smile and an even sweeter voice. I know Heaven is rejoicing to have her and James back together and what a mansion the tow will have. Loved you both, Rita Anderson*

“ *I have many memories of my Aunt Gerrie and Uncle James. The big house they built was amazing. I remember as a child thinking it was so beautiful and big. Having sleepovers with Kara, big family reunions, and other special times are all locked away in my heart. See you in heaven one day Aunt Gerrie.*

“ *I recall going on dates with my uncle James and aunt Gerrie , I was only around 2 or 3 years old and I would stand in the middle of them in the car and my uncle James would say don't you kiss my girlfriend and they would both laugh, then we would go and get a icecream cone , that's was so fun and I cherish them times , I was so blessed to have a Uncle and aunt like them, they taught me about JESUS CHRIST AND I KNOW I WILL SEE THEM IN HEAVEN.
