“ I knew Army many years ago. I dated him and he became the love of my life. I've missed him since we parted ways. He was a wonderful man and I loved him with all my heart. His death has hit hard but I know he is in a better place and I'm glad he was able to move on and found the love of his life.

“ Well I just came across Army's obituary and I'm sending my condolences to the family. I worked with him in the Rail Mill office for over 4 years back in the 1970's. Overall I worked with or around him for about 10 years. He was a good friend. Went to his home many times. Back then he lived in a mobile home out past Bessemer. Rest in peace my friend...
