“ Greg, your were my everything! You were the best husband and friend and I am so thankful that God allowed me to share almost 26 years with you. I never in a million years seen this day coming and if I could have changed it, I would have. You taught our boys how to Love and respect life and you guided them into 2 great men and fathers. The love you had for these grandbabies was amazing. I will make sure they never forget you! Thank you for the life we shared. You always treated me like a princess and protected me from everything. I don't know how to live life without you so please stay with me in spirit forever. You were my Angel on earth and now my Angel in the afterlife. Until we meet again, I love you with my everything. RIP my Love. I know your beautiful blue eyes will light up the skies. Hugs, kisses and so much love to you!!!!
