

Grover Lee McFerrin

May 4, 1949 - May 23, 2026

Grover Lee McFerrin, age 77, of Bessemer, Alabama, passed away suddenly on May 23, 2026, in Birmingham, Alabama. He was born on May 4, 1949, in Bessemer, Alabama

Grover grew up in Hueytown, Alabama, where he attended and graduated Hueytown High School. He later built a long and dedicated career with Walpar, where he faithfully worked for over 40 years before retiring. He worked hard, loved his family deeply, and found joy in the simple routines and everyday moments of life.

He was preceded in death by his beloved wife, Brenda Sue McFerrin, and his parents, JB McFerrin and Annie Bernice McFerrin.

He leaves behind a family who loved him deeply: his daughters, Terri M. (Mark) King and Jerri L. (Jim) Tinney; his grandchildren, Zachary Owen (Elise) King, Alexander Lee (Charlotte) King, Taylor Tinney (Matthew) Anderson, Mackenzie Leigh Tinney and great-grandchildren Anthony Owen King, and Nina Maria King; his brother, Roderick (Bernadette) McFerrin; along with many extended family members and dear friends who will forever cherish his memory.

Grover found joy in life's simple moments. He loved being outside and took great pride in caring for his yard—especially mowing the grass. He enjoyed sitting on his porch swing while watching the birds, following college football, and keeping up with the lives and activities of his grandchildren and great-grandchildren.

After retirement, he settled into routines that brought him happiness. Daily walks became part of his day, and no evening felt complete without ending it with a popsicle.

Though his presence will be deeply missed, the memories he created and the love he shared will continue to live on in all who knew him.

The visitation will be on Thursday, May 28, 2026 from 10:00am until 11:00 am at McCalla Memorial Funeral Home. The service to celebrate Grover's life will be at 11:00am. A private burial will follow at Cedar Hill Cemetery. He will be deeply missed by his family, friends, and all who knew him. In lieu of flowers, donations can be made to St. Jude Children's Research Hospital.

“ *Grover is my neighbor. He will be sorely missed here on Roselyn Road. One of a vanishing breed of men who took pride in every aspect of his life. His yard always perfect; his beloved truck always immaculate and running “like a top”. His twice-daily walks including his last day on earth, putting us to shame. His nesting bluebirds excited him so. The best of Grover will live on here on Roselyn Road. Peggy Hooker*
