“ Dear Friends,

*We were very sad to see that Dr. Sanchez had passed. We were so pleased to see the pictures on the Hewitt's Christmas card.*

*We have many memories of Dr. Sanchez and Sara but the ones that stand out are the few times they were able to come visit us.*

*One of the visits our son Scott and his wife and their five children were here. We grilled steaks and had a wonderful time.*

*May God Bless each one of you and may His Holy Spirit comfort you in the days ahead.*

*Love,*

*Bill and Francine*

*Missildine*
