“ *David and Greg,*

I am so sorry to read about your mom's passing. She was such a kind and caring person. She and my mom shared the same birth date and were good friends at 7th St. I can remember your grandparents as well. Seventh St left me with a lot of good memories. I pray that God will sustain you and your families with His peace during this time of loss. I know she will be greatly missed by all of you but you will see her again. She is now face to face with our Heavenly Father.
