“ For several years at Thanksgiving at Mama Chamblee house, she would make the hottest dressing to see if I could eat it. Then she always wanted to go to ‘after Thanksgiving sales’ EARLY Friday morning. That was “our” day...

The vacation we all took to Opryland , took Granddaddy and Mama Chamblee also; WOW.... trip not to be forgotten

Hazel would listen as long as you wanted to talk and advise you the best she knew how God knows she has listened to me. We have set up many hours talking and laughing. I will always cherish those.
