

Helen Ollivia Brice

July 14, 1941 - August 28, 2020

Helen Olivia Brice, 79, was peacefully called home to be with her heavenly Father on August 28, 2020 after a battle with congestive heart failure. She was born July 14, 1941 in Kansas, Alabama to James and Vetras Stoker. She was the youngest of two children. She married her best friend and love of her life, Leroy Brice, on August 29, 1958. Helen loved her friends and family deeply. She was a dedicated mother, grandmother and great-grandmother. She treasured her family and especially embraced her role as Nanu. She had a strong-willed personality with no hesitation in saying exactly what was on her mind. She had a passion for sewing and quilting, using her talent to make crafts for art shows and local stores. She shared her skills in ceramics with others by teaching classes to those in the community. She also played and taught piano. One of her favorite things was to cook for her family, making every occasion feel like a special occasion. The last few years of her life, she enjoyed solving puzzles and spending quality time with family. Helen's life was a living example of Christ's love for others. She embodied the verse "Be kind and compassionate to one another, forgiving one another, just as God also forgave you." –Ephesians 4:32. She is survived by her son David Brice (Reba); daughter Jennifer Brice Davis (Greg); three grandsons Chris Brice (Taylor), Jordan Davis (Lindsey) and Levi Walters; two granddaughters Mandy Burmester (Scott) and Tatyana Davis; and two great-grandchildren William Earl Burmester and Charlotte Burmester. She is preceded in death by her father James Stoker; mother Vetras Stoker; sister Myra Wensel; husband

Leroy Brice; and son Jonathan Brice. Arrangements have been made at Valley Creek Cemetery in Hueytown, Alabama. A small service in celebration of her life will be held on Friday, September 4, 2020 at 10:30 am.

“ *Helen*
I had no idea that you passed away. I recently found out and it broke my heart. We lost touch after Jon died. You were like a mother to me at a very young age. You taught me so much and loved me unconditionally no matter how much I messed up. You taught me how to cook and so many other things about life. I'll always be grateful. I am sorry that I didn't get to say goodbye. Love you always. Lauren
