“ You were one of my first childhood friends! There is not enough words to express my love for you! I know growing up we may have had our ups and downs! But through it all we still loved each other at the end of the day! I remember all the bars of soap you grinded changing those gears! Days of playing in the haybarn, Fishing, digging worms and jumping on those cows! There is so much more I could put but not enough room! I will always keep your love and memories tucked away in my heart! Until we meet again Fly High Forever Free! Love your sister Tracy
