“ *So many miles riding Harleys and enjoying life. She was a great friend and mother.
Always had your back no matter where or when. She was always there for the people she loved and I was not only proud to know her but also have her call me friend.
You were always tough on the equipment and will always be my friend.*

“Holly and my father, Don, dated for a period of time. During that time, she became like the stepmother I always wanted. She was always so patient and sweet with me and my brother. She also gave the absolute BEST hugs. The kind of hugs that hit you to your soul and let you know that the person truly loves you. She always made me feel safe and loved. Her daughter Savannah was like the little sister I never had as I only had my older brother. Holly was one of my absolute favorite people on this planet. My heart is so broken over her passing and the fact that I will be unable to make it to her service on Friday. I LOVE YOU SO MUCH, HOLLY!!! You will NEVER EVER be forgotten and will always be missed. Watch over Savannah and those babies, Angel!
