“ *Eu fiquei sabendo apenas hoje, seis anos depois... quanta falta esse cara vai fazer... procurei ele logo após que deixei a VW, mas não o encontrei e perdemos contato. Durante muito tempo planejei viajar para os EUA e reencontrar uma das pessoas mais incríveis que já conheci profissionalmente... mas, como é a vida não? Agora que as coisas estão melhorando para mim, e estou planejado minha primeira viagem aos EUA, descubro que meu querido amigo não mais está entre nós... uma perda absolutamente irreparável, de um excelente engenheiro, uma inspiração para mim como profissional (ele ficaria muito contente em saber que estou cursando engenharia depois do curso de direito), e uma pessoa doce e muito querida, que tive o verdadeiro privilégio de poder ter trabalhado junto... Meus mais sinceros sentimentos à família... Rodrigo Cezar de Castro... Curitiba - 07/05/2019.*

“ *Ian was a fantastic person, a kindness that I will never forget, a friend that I will have forever in my memory. We studied together in the high school during the year 1991 in SJ Rio Preto / Brazil, my last memories were joining our musical instruments and playing in the garage of his house. Rest in peace my friend and God bless you.*

Rodrigo / Brazil.

“ Heaven has gained a wonderful person, so sorry that we lost him here on earth. Junior will always be remembered for his generous heart and his love of family. I am so thankful to God that Junior was saved by His grace and is now in peace with Jesus in Heaven.

When we lose someone we love it seems that time stands still. What moves through us is a silence... a quiet sadness... A longing for one more day... one more word... one more touch... We may not understand why Ian left this earth so soon, or why he left before we were ready to say good-bye, but little by little, we begin to remember not just that Ian died, but that he lived. And that Ian's life gave us memories too beautiful to forget. We will see him again someday, in a heavenly place where there is no parting. A place where there are no words that mean good-bye.
